

Protect your business with PestWest[®] Quantum[®]!

Don't compromise your good reputation with low quality tubes. Quantum[®] is the name the commercial food industry has relied on for years.

- Tried and trusted brand
- 100% European technology
- Higher and more durable UV attraction power
- Original large diameter 20 and 40 Watt tubes available (T12)
- Industry compliant FEP shatterproof coating: 5% UVA light loss maximum and glass retention under impact to BS EN61549
- Environmentally responsible choice: no lead, less mercury

Far stronger, lasts longer!

Where compromise is not an option; **don't take risks!**
